Empyrean Merchant Services Announces Strategic Partnership with ORHMA to Revolutionize Credit and Debit Payment Processing

SEPTEMBER 3, 2024 - TORONTO, ON | Empyrean Merchant Services, a leading provider of innovative payment solutions, is excited to announce a strategic partnership with the Ontario Restaurant Hotel & Motel Association (ORHMA). This collaboration and new program, **ORHMA Payment Solutions Powered by Empyrean**, aims to elevate the credit and debit payment processing capabilities for ORHMA members, offering them cutting-edge technology, competitive rates, and unparalleled customer service.

This partnership highlights ORHMA's commitment to not only advocating for its members but also actively responding to their needs with forward-thinking solutions. By joining forces with Empyrean, ORHMA is reinforcing its dedication to building stronger, united programs that address the evolving challenges faced by the hospitality industry.

Empyrean Merchant Services is renowned for its robust and flexible payment solutions tailored to meet the diverse needs of businesses of all sizes. Through this collaboration, ORHMA members will gain access to Empyrean's comprehensive suite of services, including:

- **Advanced Payment Processing:** Seamlessly integrated solutions for credit and debit transactions, ensuring smooth and secure payments.
- **Competitive Pricing:** Specially negotiated rates for ORHMA members, designed to maximize savings and improve bottom lines.
- **24/7 Customer Support:** Dedicated support teams available round-the-clock to assist with any inquiries or issues.
- **Innovative Technology:** Access to the latest in payment technology, including mobile and contactless payment options, fraud prevention tools, and real-time transaction monitoring.

"Partnering with ORHMA is a significant milestone for Empyrean Merchant Services as we expand our reach and impact within the hospitality industry," said Roman Poberezkine, CEO of Empyrean Merchant

Services. “We are committed to providing ORHMA members with the best payment processing solutions that will help streamline their operations, reduce costs, and enhance the overall customer experience.”

Tony Elenis, President & CEO of ORHMA, added, “Our partnership with Empyrean Merchant Services is a testament to ORHMA’s dedication to listening to our members and responding with solutions that drive industry success. We recognize the critical role of efficient payment processing in today’s competitive market, and this collaboration allows us to offer our members advanced tools and support that reflect their evolving needs. Together with Empyrean, we are enhancing the resources available to our members and fostering a more cohesive and resilient hospitality sector.”

Representing over 11,000 establishments across Ontario, ORHMA continues to be the largest provincial hospitality association in Canada. This collaboration underscores ORHMA’s proactive approach in gathering industry feedback and implementing innovative solutions that drive collective success.

The collaboration between Empyrean Merchant Services and ORHMA is set to commence on September 3, 2024. ORHMA members are encouraged to explore the new benefits and services available to them.
